Small Block Headers

- › Gain up to 40 HP
- › 15% More torque
- › Improved fuel economy
- › Fits Chevy small blocks

Custom Marine's new Small Block headers are a cut above the rest. These performance headers not only increase horsepower but improve fuel economy while boosting mid-range torque by 15%!

This system incorporates CMI's patented "Cool Collar" design that keeps headers cool to the touch and "Flex Flare" connections for easy installation. Small Block headers are constructed of 316 stainless steel for increased durability and come fully polished for a brilliant shine. Package comes complete with all the required mounting hardware. Small Block headers come with a one year limited warranty.
